OVERNIGHT: **Lough Eske Castle** - 2 Deluxe Room

Friday, June 16

Today play **Rosapenna - St Patrick's Links (tbc)**. Designed by Tom Doak and opened in 2021. A sprawling links that is destined to become a modern great. It sits on the most magnificent piece of links land, west coast of Ireland scenery, with enough variety in dimension to present a real diversity of golf holes. The routing takes golfers on a journey through huge dunes, to high above Sheephaven Bay, along the coast, then back over some more gentle dunes. With plenty of width and an eclectic mix of naturalised bunkers, the course is destined to become a must play.

OVERNIGHT: **Bushmills Inn** - 2 Classic Millhouse Room

Sunday, June 18

Today play **Portstewart - Strand Course (tbc)**. Possibly, indeed probably, The Strand Course at Portstewart has always been inspired by her renowned neighbors Royal County Down and Royal Portrush to join the ranks of Northern Ireland's leading layouts. The original course opened in 1908, was largely reinvented by the great Willie Park in the early 1920s, then updated again in the 1980s. Next after a healthy investment to acquire a range of massive, untouched sand dunes called "Thistly Hollow", seven outstanding new holes were constructed that make for an opening nine considered one of the best in links golf. Please note a very limited supply of golf carts are available for hire. Certain restrictions may apply, please advise your Golf Travel Specialist.

Golf on **Royal Portrush - Dunluce Links (tbc)**. Northern Ireland's Royal Portrush (Est 1888) is routinely ranked among the World Top 15 and never less than fifth among the great clubs of the UK and Ireland. It is the only club outside of Great Britain to host The Open which it has done twice; in 1951 and 2019. Harry Colt is largely responsible for the current layout which opened in 1932. He chose the high ground on magnificent dunes land the club had acquired for two courses that was full of deep valleys, long ridges and large plateaus. His achievement here is how the holes follow the sand formations and the greens which are some of the most cleverly conceived in golf. Changes were made in advance of The 148th Open that included two new holes, the exceptional 7th and 8th, which turned the old 17th and 18th into a staging ground for the championship.

OVERNIGHT: **Slieve Donard Resort & Spa** - 2 Classic Room

Wednesday, June 21

Golf today on **Royal County Down (tbc)**. Northern Ireland's Royal County Down is routinely ranked among the World Top 5 and never less than first or second among the great clubs of the UK and Ireland for two reasons: the beauty of the setting and the brilliance of the design. Old Tom Morris authored the first 18 hole course here and gets a healthy share of the credit for this masterpiece but George Coombe and Harry Colt also had a hand in it, as have Donald Steele and Martin & Ebert in recent years. None would dispute however, that the site as it was found with its rugged dunes, natural corridors and hollows, golden gorse and purple heather was destined for greatness. The ninth stands out among many. This 427-yard par 4 begins with a blind tee shot to a fairway found eighty feet down a sidehill plunge where two cross bunkers protect a green saddled between two dunes.
